Entrepreneurship

Entrepreneurship is the process of Idea Generation, Implementation, and running a new business.

Entrepreneurs drive economic growth, create jobs, and solve problems.

- Identifying opportunities
- Taking risks
- Innovation
- Creating value

What , Why & How about Vision ?

What is Vision?

- ▶ A mental picture of the future. It is an idea of what the future can hold, but has not yet happened.
- ▶ Shows us where we are headed
- ▶ Provides motivation and inspires us to keep on going.
- ▶ Helps to keep us moving forward and move through obstacles.
- ▶ Provides focus : gives us meaning and purpose to what we do.

"A leader has the vision and conviction that a dream can be achieved. He inspires the power and energy to get it done." - Ralph Lauren
